

From the Heart to the Heart,

18 years ago, 24 Iyar, 5764, our beloved son, Chaim Dovid Shlomo ben Pinchas Levi sh', was nifter, 17 days before his bar mitzvah.

It's hard for me to believe that 18 years have gone by. I am thankful to Hashem for everything he does for us and everything he will do for us in the future. We love Hashem with all our hearts and really try to connect to him however we can. With the help of Hashem, Moshiach will come and we will all be reunited with our loved ones.

When our son started putting on tefillin, 2 months before his bar mitzvah, he took upon himself not to talk while wearing them. He was very much connected to his davening and his tefillin. After Dovid was nifter, I also took upon myself, bli neder, to not talk while wearing tefillin and BH since then I have been successful. I have also tried to encourage other people take on the same, not to talk while wearing tefillin. BH, I have about a thousand people that have taken on this hachlatah.

Through this mitzvah we are enabling Dovid to put on tefillin also. We all want Moshiach to come and we all want to see our loved ones. So I am asking, from any and all those connected to us, which is everyone because all the yidden are one, if they can take upon themselves this amazing hachlatah, not to talk while wearing tefillin. This will be a big zechus for his neshama. And it will also be a big zechus for anyone that does it. And through that connection MOSHIACH will come NOW!!!

AMEN!!!
